

ELİF AND HER OX

Elif is shown as the heroic women of the liberation war. The struggle of Elif and other thousands of patriots is of great importance in the battle of liberation. As the war continues at full speed, Elif is tasked with moving the armory to the front.

Elif's work was difficult because her ox which name Kocabaş was aged. It was not as fast as the aging ox. On that day they barely crossed the

roads covered with snow. When Kocabaş went a little way and then he got stuck.

Elif forced the ox to stay. The soldiers were expecting bullets. The road was long and difficult. elif begged the oxen, but the ox did not lift up from the place where it was piled up.

When the elif struggles were fruitless, she spent the trumbles on her own back.

The elif's courage, which travels 50 km with a load of 200 kilograms, is an epic story.
