| <b>Best points of the lesson plan (what the students especially enjoyed / what proved the most successful part of the lesson):</b> | <p>The students were interested in this topic.</p> <p>It was a very funny lesson from their point of view. Most liked part of the lesson was to colour Sirius and personalize it.</p> |
| <b>Suggestions on what might be improved / modified:</b>   | <p>Because not all of them had phones or tablets, I did the lesson in the form of a competition "Answer quickly and correctly!"</p> <p>The lesson was a success!</p>                  |
