

LESSON REVIEW

| | |
|--|---|
| Module: | The European Union's Anthem |
| Topic: | All people become brothers-on the Anthem of Europe |
| Lesson conducted by: | Olivera Saltirovska |
| Date: | 1.II 2019 |
| Class: | 7 th grade |
| Age group: | 12 |
| Number of students involved: | 14 |
| Best points of the lesson plan (what the students especially enjoyed / what proved the most successful part of the lesson): | The students were really interested in this topic. They found out the melody of the EU's official anthem and learnt its origin and symbolic meaning. They enjoyed the activities with QR codes and solving the jigsaw puzzles. |
| Suggestions on what might be improved / modified: | At the last stage-consolidation the students listened to the EU's anthem in Macedonian and shared their opinions on the different adaptations of the anthem. |
