

LESSON REVIEW

Module:	21
Topic:	<u>Topic: Water in Europe – how much do we really need?</u>
Lesson conducted by:	Mihaela
Date:	12.II.2019
Class:	1 st grade
Age group:	9
Number of students involved:	26
Best points of the lesson plan (what the students especially enjoyed / what proved the most successful part of the lesson):	<p>The students were really interested in this topic.</p> <ul style="list-style-type: none">• The most successful part of the lesson was the one which the pupils found out about the enormous amount of water used per day and how much water we really have in the world.
Suggestions on what might be improved / modified:	Because of the children's age, had to eliminate certain tasks.
